AL-2026PE-LED

PREMIER ILLUMINATED *Series*

Our Premier Illuminated Series medicine cabinets are fabricated from brushed aluminum with a superior aluminum inner door core. These cabinets can be recessed into the wall or surface mounted with the included mirror side kits. This series is offered with a polished edge mirror door with integral LED lighting and features a full mirrored interior.

Specifications: Brushed aluminum with full mirrored interior.

Mirrors/Doors: 3/16" first quality plate glass. Doors are mounted on heavy duty cabinet hinges and feature a slotted finger pull on the underside of the door. Cabinets can be inverted in the field for right or left door swing.

Shelves: Adjustable glass shelves on locking secure shelf clips.

Lighting: Integral hardwired LED lighting

Product Care

At Ketcham we want your mirror/medicine cabinet to maintain the same beauty and functionality as the day it was installed. Following these cleaning instructions and using the approved cleaning solutions will keep your mirror/medicine cabinet bright and beautiful throughout its lifetime.

The mirror and mirror body are constructed of mirrored glass and aluminum. Use a damp cloth to clean your mirror. Do not use any abrasive material as it may damage the surface and finish of the mirror. When cleaning, spray the cloth, not the mirror or surrounding surfaces. A mild detergent may be used to clean the surfaces of the mirror.

DO NOT clean your mirror/medicine cabinet with any knives, scrapers, emery cloth, scouring sponges, or abrasive materials.

DO NOT use alkali or acid cleaning solutions, as this will severely damage the mirror/medicine cabinet.

Ketcham Quality Guarantee

At Ketcham we produce quality products, as such we stand behind our entire line. Please read below for our Ketcham Quality Guarantee.

Ketcham products are guaranteed to be free of manufacturing defects from one year after date of purchase. Any products returned under this guarantee will be repaired or replaced at no charge. Ketcham does not assume any liability for labor to remove or replace any products.

This warranty DOES NOT cover any products that have been subject to misuse, accident, negligence, improper repair/maintenance, or faulty installation.

Mirrors are guaranteed against silver spoilage for a period of 5 years after purchase date providing the product care instructions have been implemented.
